MAKING MARYVILLE PAVEMENT SMOOTH

ALL ROUGH PLACES IN TOWN BEING REPAIRED

BRICK IN GOOD SHAPE

Much Work Has Been Done This Year on the Dirt Streets and It Is Still Going On

One of the most notable changes that has taken place in Maryville for some time is going on now in the condition of the streets It is being brought about by a force of men that Mayor Fred P. Robinson has at work. These men are working on the rough places on the paved streets getting them smoothed down again. And these rough places are numerous.

Early this week the chug hole that ran clear across Fourth street a hundred yards east of the Wabash switch was fixed and motorists appreciate it considerably. Yesterday some more work was being done on Fourth street and also on First street. Mayor Robinson says that it is the plan to put the streets in as good shape as possible without going to too much expense.

The bricks of the pavements in Maryville are in most cases in good shape. It will be necessary to use but few new ones in the repair work. They were thoroughly inspected when they were placed on the streets and the faulty ones were thrown out. They were inspected first at the car and later after they were laid and before they were sanded and rolled down.

The thing that has put the Maryville streets in a bad shape is the fact that the foundations have given way. Most of the streets of the town were put in without any kind of a foundation other than sand and gravel. Attempts were made to get action to put in more substantial bases but owing to the expense the property holders always objected so that at last only the sand and gravel was used. There have been spouty places in the streets and in wet weather these have caused the foundations to sink and with them the brick.

The pavements were laid in Maryville from 1901 to 1910. The first paving was that about the square and for a block west on both Third and Fourth streets and from Second to Fifth street on Main. The next paving was done in 1908 and was completed in 1910.

The pavement was never good on East Second street or North Main street on account of the fact that it was wet and some frost came when it was being put down. The foundation never did get settled down properly.

Mayor Robinson is of the opinion that all the pavements of the town which are in bad shape should be taken up and relaid. He says that practically all the brick is in good shape and could be used again. He believed that with a limited amount of expense and proper workmanship in repairing the bases that it would be possible to put the streets in as good or better shape than they were when the pavements were first laid.

Since early in the spring the city officials have given special attention to getting the dirt streets in good shape. Mayor Robinson says that more work of this kind has been done during this summer than all put together in the past six or seven years. And this work is still being carried on. The dirt streets were considerably damaged by the big rain but a good many of the places have been repaired.

TIME FOR MAKING STATE FAIR FILM CONTRIBUTIONS SHORT

The time for making contributions to the state fair film fund of the Chamber of Commerce is drawing to a close and it was said at the office this morning that those who are expecting to help should do it within the next few days. The dates of the state fair are August 19 to 26.

Another Clash In Italy

London, Aug. 10—A violent clash between the Socialists and the Fasciti caused suspension of the session of the Italian chamber of deputies at Rome, a dispatch this afternoon said. Anger rose and revolvers were drawn and threats to kill were made.

HEAD OF AUDITING FIRM IN MARYVILLE TODAY

Work on the County Books Here to Be Finished in Three Weeks, Then to Kansas City and State

Dan G. Stewart head of the firm of Stewart, James, Whitcomb of Kansas City was in Maryville today looking after the audit that is being made of the books of the county officers. This firm has charge of the audits of the county books.

Mr. Stewart said the work of auditing here will be through within three weeks. The report will be made out in the office at Kansas City and it was thought it will take two weeks. The report is then filed with the State Auditor and if approved will then be sent to the County Clerk here.

The work of auditing the county officers started on April 29. Two auditors from this company have continuously been on the job.

No information has been given out in regard to whether any shortage or any errors have been found in going over the county books.

153 GUARANTORS NEXT CHAUTAUQUA

LIST EXPECTED TO REACH 200 BY TOMORROW

NO DEFICIT THIS YEAR

The $1,800 Fund Reached This Time and Went Over by $100—$1,618 Next Year

The indications are that Maryville will have a chautauqua again next year for 153 persons at noon today had signed the guarantee for the money for next year. Others will sign it and it is thought that at least 200 names will be on the guarantors' list by tomorrow.

The financial end of the chautauqua has gone over in fine shape this year. The amount of the guarantee, $1,800, was reached and about $100 extra in tickets was sold by the workers, under the leadership of H. C. Todd, chairman. Much of the success in a financial way has been due to Mr. Todd, who has put in much of his time on the proposition.

The amount of the guarantee for next year will not be as much as it was for this year. It will be only $1,618. Under a new arrangement made by the Redpath-Vawter company the guarantee is only 70 per cent of the price of the chautauqua. The company gets the additional 30 per cent from the sale of reserved seats, from the single admissions and from the sale of season tickets that take place after the company takes the sales over at the opening of the chautauqua.

The guarantors in putting their names on the guarantee enable the people of Maryville to purchase their season tickets this year at a saving of 50 cents each. The price charged by the company is 50 cents higher than that charged by the guarantors.

The financial status of the chautauqua this year is somewhat different from what it was last year, when there was a deficit and the guarantors were each forced to put up a little cash.

The number of guarantors this year were 205.

Following is a practically complete list of those who had signed up as guarantors at noon today:

Allan, Katie Lee, Allen, W. H., Allen C. D. Allison, S. P. Aker, E. E. Baker, Frank W. Bell, M. E. Brewer Ed. Brown, N. H. Broyles, R. S. Burr, H. H.Burr, W. H. Busby, O. K. Bush, Mrs. F. A.

ED BELL GETS 3 YEARS IN PRISON

JURY BRINGS IN VERDICT AT 5:45 O'CLOCK YESTERDAY.

ADJOURNED UNTIL AUG. 21

Workman Case, Appealed From Probate Court, to Come Up Under Judge Mayer of St. Joseph.

Ed Bell was found guilty and given a sentence of three years in the penitentiary by a jury in circuit court yesterday afternoon. Bell was charged with felonious assault. Arch Roach of Graham being the prosecuting witness.

The case went to the jury yesterday afternoon about 3:45 o'clock. It is understoood the jury voted for conviction on the first ballot, but it took some time to agree on the punishment. The jury brought in the verdict at 5:45 o'clock. The jury had previously brought in a verdict for three years in the penitentiary but recommended that a parole be granted to the defendant. The court refused to accept the verdict in that form and sent the jury back. The jury then returned with a verdict of guilty and a sentence of three years in the penitentiary. The foreman of the jury, C. C. Tebow, told the court after the verdict was read that it was the wish of the jury that the defendant be granted a parole.

Circuit court adjourned until August 21 when the case of Francis Workman against Tom Workman, an appeal case from probate court, will be heard by Judge Charles H. Mayer of St. Joseph. Judge John M. Dawson disqualified from sitting in this case and both sides agreed to Judge Mayer as special judge. Tom Workman is alleging in his suit that his brother, Francis Workman, is withholding some of the assets of the estate of their brother, George W. Workman. Francis Workman also alleges that Tom Workman is withholding some assets of the estate of George W. Workman.

"VETS" TO HAVE ROYAL ORDER OF THE FLEA SESSION

To Put on This Degree This Evening For First Time—Brought Here By Raynor

The members of the Seth Ray David Post of the Veterans of Foreign Wars are planning on a big meeting tonight and every member is urged to be out to help put on the initiation to seven new members of the post. In addition to the initiation for the post a new side degree is being planned for tonight.

The Royal Order of the Flea will be in session tonight for the first time. This is a new degree and the work was brought to Maryville by Sergeant Rolf Raynor. He got the work from the Craig Post of the Veterans of Foreign Wars at Kansas City. Although Mr. Raynor will not be here to help conduct the work he has given it to the members so that they will be able to carry it through.

Another side degree, the order of the Cootie, was begun here with the Veterans but it was expensive and has not been given to many of the members. The Royal Order of the Flea comes without added expenses to the members and it is thought that it will be quite successful.

MR. AND MRS. STANLEY FORD LEAVING MARYVILLE TODAY

To Visit Great Lake and New England States—Miss Gladys Ford To Denver

Miss Gladys Ford will leave today for Denver, Colo., where she will spend a three-weeks' vacation with friends. She will accompany her brother, Stanley R. Ford, Mrs. Ford, and their sons, Stanley, Jr., and Jack, as far as Omaha.

Mr. and Mrs. Stanley Ford and sons are leaving in their car on the return trip to Gatun, Canal Zone, Panama, after an extended visit here with Mr. Ford's mother, Mrs. J. S. Ford, 422 West Second street. They will visit in the Great Lakes States and the New England States on their way to New York, from which point they will sail the latter part of September.

Baker and Miller Were the Orators At the Picnic Yesterday—McCaffrey and Dawson Tomorrow

Fred R. Wolfers, president of the Maryville Chamber of Commerce, and George Pat Wright are the speakers scheduled to speak at the Elmo picnic this afternoon. Judge John Dawson and Prosecuting Attorney Charles F. McCaffrey are on the program for speeches tomorrow at Elmo.

The Elmo picnic opened yesterday with a fair sized crowd in attendance. Dan R. Baker and Prof. Harry A. Miller were the speakers.

WANT NODAWAY COUNTY FILMS AT FAIR AT GRANT CITY

Pickens Unable to Fill Date Owing to State Fair—May Show There Later

Worth County has been watching the progress of the making and showing of the agriculture films of the Chamber of Commerce in Nodaway County and has decided that it wants to see just what these films are like. Accordingly D. C. Simons of Grant City, editor of the Worth County Tribune, called George A. Pickens, secretary of the Chamber, yesterday afternoon and asked if he could not arrange for showing the films at the Worth County fair. The date asked for on the films was August 26.

Mr. Pickens will be unable to fill the date owing to the fact that the films will be at Sedalia for the state fair at this time. Mr. Pickens explained to Mr. Simons that he would be glad to arrange a date at Grant City at a later date.

HISE CRANKS CAR WHEN IN GEAR—GETS BRUISED

Harold Hise was badly bruised up and has a lame hand today as a result of a motor car crushing him against another machine last night. Mr. Hise is a driver for the Knox Jitney company and tsarted to crank a car about 8:30 o'clock last night. The car was in gear and crushed him up against another car and bruised him up considerable. He is not working today but it is thought that he will be back at work in a few days.

ROBERT PORTER CAN'T GO TO STATE FAIR SCHOOL

Robert Porter, living near the Herron school, will be unable to attend the State Fair Boys School at Sedalia on account of being operated on for appendicitis at St. Francis hospital this week. Mr. Porter secured the high grade in examination held for contestants for this school. Willard Hartman of Barnard, who was second, will represent this county at this school.

CHAUTAUQUA WILL CLOSE TOMORROW

TONIGHT THE PLAY FEATURE OF THE WEEK

CHILDREN IN PAGEANT

To Have Six Episodes Bringing American From the Time of William Penn to Present

Tomorrow's Program

9:00—Junior Town

2:30—The Marionettes in "Jack and the Bean Stalk."

Pageant by children of Junior Town "Punch and Judy" by Paul Clemens.

8:00—Illustrated recital, "An evening With the Stars" by B. R. Baumgardt.

The chautauqua will come to a close tomorrow evening with the illustrated lecture, "An Evening With the Stars"

by B. R. Baumgardt. This will complete the seventh day.

J. Campbell White is speaking this afternoon and the feature play of the week will come this evening in the presentation of "Turn to the Right" by Keighley's Broadway Players. A large crowd is expected to attend this evening and it is said by Manager Christian that everyone will be seated, if he has to send up town for more lumber for seats.

The boys and girls of Junior Town turned out to the big tent this morning, eighty-five strong, to conduct their meetings under the direction of Oliver Curl, mayor, and to practice for their pagent, "The Conquest of Peace" which they will give tomorrow afternoon under the direction of Miss Mary McLean.

The pagent will consist of six episodes depicting the different periods in American history when peace was bought. The first episode shows William Penn bargaining with the Indians and will be followed by an Indian lance. The second episode shows Martha and George Washington, followed by representatives of the thirteen original colonies dancing the Virginia Reel to the tune of Yankee Doodle. The third episode will show the American Girls after the war of 1812 and will center around John Bull and Uncle Sam. The fourth episode will show Abraham Lincoln followed by a number of slaves. The flag girl will represent the Blue and the Grey which will be united under the American Flag. The pianist will play the "Stars and Stripes Forever" at this time.

After the period touching on the Civil War is past, the fifth episode will treat with the American spirit since that time will be represented by the American Boy Scout. This period will be broken by the Christmas ship of 1914 when Santa Clause will appear in the pageant with toys to be distributed among the children. The last episode will bring the pageant down to the present time and will be represented by three characters, Peace, Freedom and Brotherhood.

Those who will have leading parts in the pageant are:

Page—William Garrett.

William Penn—Leonard Moore.

Quaker girls—Eloise Curl and Winifred Todd.

Indian chief—Irvin Bartram.

Indian girls—Helen Davis, Eva Edwards and Dorothy Glenn.

George Washington—Oliver Curl.

Martha Washington—Lo Diska Shelton.

Uncle Sam—Ray Anderson.

John Bull—Judd Nicholas.

Abe Lincoln—Bernard Conway.

Flag girl—Eleanor Nicholas.

Boy scout—Oliver Curl.

FRENCH CABINET BACKS POINCARE IN STAND

Suggested at Interallied Conference That Germany be Given a Moratorium.

Paris, Aug. 10.—The French cabinet today approved Premier Poincare's uncompromising attitude against Germany at an interallied indemnity conference in London. A telegram has been sent Poincare telling him of the support by the French government.

London, Aug. 10. — Following the meeting of the cabinet to consider the serious international situation resulting from the Anglo-French differences, it was suggested this afternoon that a temporary moratorium be given Germany with plans for another international conference to reach a final settlement.

SWELLS FUND FOR FILMS AT ST. FAIR

M. A. GRAY LIKES IDEA AND GIVES $50

LETTER TO OTHER TOWNS

Local Chamber of Commerce Calling Attention to Those in Other Places to the Plan

M. A. Gray of the Divide Stock farm, west of Barnard, swelled the state fair film fund of the Chamber of Commerce this morning by contributing a check with his signature for $50.

Some of the details connected with films to be shown were being rounded up at the Divide farm this morning when George A. Pickens, secretary of the Chamber of Commerce, mentioned the plan of showing the films at the fair to Mr. Gray.

"That is the best plan I ever heard of," said the Spotted Poland China man. "I want to get in with a donation on that fund. I'll give $50 toward it." And he made his statement good.

Mr. Gray said that he believed that no plan could be carried out that would give a well-advertised county, as Nodaway County already is, the exhibit that it needs like the farm films will.

A letter is being sent out from the office of the Chamber to the secretaries of the other Chambers of Commerce in the state telling of the showing of the films at the fair. A part of this letter follows:

"An exchange of ideas is one of the most valuable things the Missouri Commercial Secretaries' Association has to offer its members, for what builds our local communities will build Missouri and since we have found a practical way—only one of many that can be used—of building up our county of Nodaway, we are going to exhibit it to all who will come to our tent at the State fair, August 19-26 at Sedalia.

"So we extend to you, your members, and friends a most cordial invitation to visit the Nodaway County tent, located near the Univeristy building on the state fair grounds, where we will show free to everyone, four reels of moving pictures made in Nodaway County, of our livestock, agricultural activities, land, soil and farm scenes.

"This film was not gotten up to show away from home, it was made to show our own folks what is going on in our county, to inspire them or awaken them to a better realization of the natural resources of our county but through the desire of farmers and stock men of Nodaway county we were not only asked to show the films at the State Fair, but the farmers offered to finance the expense of showing these films which have been so instructive to our own people but which tells a story about Nodaway and are a boost for the biggest business in the state—agriculture.

"You, your directors and members are all cordially invited to see these films at the State Fair. The Missouri State Fair is something every Missourian should attend, and by his attendence push Missouri forward as she so well deserves on account of her wonderful resources."

Mrs. Dimas On Vacation

Mrs. George Dimas left this morning for a three-weeks visit with relatives and friends in Kansas City and Iola, Kan. She will visit her sister Mrs. Colden in Kansas City and with her parents, Mr. and Mrs. R. W. Donvonan, at Iola, Kan.

I. C. BIG FOUR MEN AUTHORIZED QUIT

CLAIM LIVES UNSAFE BECAUSE OF FIRING ON COAL TRAINS

CONFERENCES TOMORROW

May Develop Union Police Declaring For a Showdown in Fight With Roads

Cleveland, Aug. 10.—Members of the Big Four brotherhoods operating trains on the Illinois Central are authorized to quit their jobs by head of the railroad unions here today, if their lives or safety are endangered. Members of the union had complained of the perilous situation through firing upon trains carrying non-union coal from the stripped mines of Kentucky.

Warren G. Stone and D. B. Robertson, heads of the engineers and firemen, wired replies to quit if dangerous to work. W. G. Lee of the trainmen asked the men to await action of the executive committee of trainmen on complaints.

Pottsville, Pa., Aug. 10.—The Pottsville brotherhood of engineers declared an immediate strike to aid the shopmen today. The Philadelphia and Reading Railroad, not at first affected by the shopmen's strike, is making efforts to anticipate the strike movement in taking up grievances of former outlaw strikes.

Washington, Aug. 10. — Leaders of sixteen national railway unions began drifting here today for what may be the most important series of conference of recent railroad history. The conferences is called to determine the answer the striking shopcrafts are to make to the President's latest proposal for ending the strike of the railroad shopmen. The conferences, beginning tomorrow, may develop a union policy declaring for a showdown in the fight with the railroads. It is believed that certain unions will refuse to place the seniority question in the hands of the labor board.

Washington, Aug. 10.—It is possible that remedial legislation involving the railroad strike subject may come in a series of conferences this afternoon between Ben W. Hooper, chairman of the Railway Labor Board and a number of the Republican members of the Senate interstate commerce commission.

HOLD OUT NO HOPE IN CLEVELAND CONFERENCE

Miners Say That They Will not Arbitrate on Plans of President or Operators.

Washington, Aug. 10.—The President's closest advisers today asserted that there is no hope of the Cleveland coal conference establishing peace and that the government shortly will be forced to take positive drastic action to insure the country against the impending coal famine. It is probable that some remedial steps will be advanced at the cabinet meeting tomorrow.

Cleveland, Aug. 10.—There will be no arbitration either on the plan proposed by President Harding or the last suggestion of the Illinois operators, high officials of the miners declared today as a policy committee met in secret session for the preliminaries of the joint meeting with the operators. It is said that enough operators are here to negotiate a scale and that the miners are going to do it.

TERRIBLE TOMMY OF CHICAGO HUNTED IN KANSAS CITY

Kansas City, Aug. 10—Terrible Tommy O'Connor, Chicago gunman and slayer, is being hunted here today. He is one of the three who shot and killed Patrick Fitzgerald, former policeman. O'Connor is known to have been in Kansas City as late as a week ago and engaging in the business of bootlegging liquor from Juraez, Mexico.

Little Mary Alice Arnett is spending a few days this week with her grandparents, Mr. and Mrs. J. L. Carter, in Pickering.

NEW S. T. C. COACH ADVISED TO HOLD ON TO COMMISSION

May Soon be Promoted to Rank of Major—Expects to Be Here About August 15.

Captain Eugene Maynor, who is to be coach at the State Teachers College this winter and who is in command of Battery B, of the 128th Field Artillery, has been advised not to resign his commission, according to the Columbia Evening Missourian. He is second in line in the state for promotion. He now has charge of the first batallion of the regiment and has the duties of a major. According to a recent letter from Captain Maynor he expects to be in Maryville about August 15. The Missourian in yesterday's issue carried the following story:

Captain Eugene Maynor, who on July 20 sent his resignation to Adjutant-General W. A. Raupp as commander of Battery B, 128th Field Artillery, received notice this morning that his resignation would not be accepted. General Raupp in a telephone message, advised Captain Maynor to withdraw the resignation, as he is second on the list of state artillery officers in line for promotion. Maynor has been placed in charge of the first batallion, 128th Field Artillery. He will retain his present rank temporarily.

The command of the local battery was given to Earl M. Page, who has been serving as first lieutenant in the unit. Page took over the property of the battery this morning.

Captain Maynor will leave tomorrow for a short vacation before taking over his duties as football coach at Maryville State Teachers College August 20. He will act as battalion commander in addition to the coaching work.

Mrs. Alfred Green returned last night from a two months' visit in Greeley, Colo., at the home of her daughter, Mrs. Frank Coleman, and family. On the return trip she visited her son, Ernest Green, in Miller, Neb.

WELLS AND LAWRENCE TAKING FLYING MACHINE TO LINCOLN

Will Rebulid and Trade it for a New One—To do Passenger Service Here Later

Frank Wells and Joe Lawrence loaded Mr. Well's Curtis flying machine on a truck and a car and left for Lincoln, Neb., this morning, where they will rebuild the machine and trade it for a new one. They expect to get into Lincoln tomorrow if they have good luck and will work on the machine for about three weeks and then trade it for a new Lincoln Standard J 1 which they will bring back to Maryville with them.

When they return they expect to do stunt flying, passenger carrying and parachute dropping. Mr. Lawrence will officiate at the parachute. The machine which they took to Lincoln was the one which Mr. Wells had tied east of town last spring and which was carried away by the wind and damaged. It has been stored since then on East Second street.

JUDFE SAMUEL HAYWORTH LIKE C. OF C. MOTOR CAR PLAN

Sorry That He Did Not Get to Contribute for Maintenance

Judge Samuel Hayworth, who lives west of Barnard, said this morning that he thinks the plan of furnishing the secretary of the Chamber of Commerce with a motor car for the purpose of carrying on the community work of the Chamber is a splendid plan and that he is sorry that he did not get in on the contributions to the fund when it was being made up. He thought so much of the plan that he contributed $5 for the maintenance fund of the car.

Judge Hayworth has lived here for fifty years and has watched the county develop. He thinks that the community work that is being carried on by the Chamber of Commerce one of the best plans that the county has ever had.

PATTON GETS BIG YIELD OF OATS THIS YEAR.

Robert Patton, who lives three miles south and a half mile west of Maryville threshed the other day and his oats made 61½ bushels to the acre, while his wheat made 34½ bushels.

John Jackson threshed yesterday.

Charles T. Barrow began threshing yesterday afternoon.

Fred Bellows was threshing yesterday afternoon.

Guests at Hamblin Home.

Mr. and Mrs. Blake H. Alexander and children, Maud Phinney and George, of Bushnell, Ill., came Tuesday evening in their car to visit Mr. Alexander's aunt, Mrs. Rodney F. Hamblin, and Mr. Hamblin, until Sunday. They will motor to Shenandoah, Ia., tomorrow to spend the day with relatives. Mrs. Alexander will be remembered as Miss Nannie Smith, formerly of Maryville.

CHAUTAUQUA WILL CLOSE TOMORROW

Santa Claus—Junior Curnutt.

Peace—Virginia Tulloch.

American boy—Envoy Brewer.

American girl—Leola Miller.

Freedom—Genevieve Miller.

Brotherhood—Elwood Williams.

Virginia reel girls and boys—Isabel Hamlin, R. Dell Chick, Esther Miller, Lo Diska Shelton, Oliver Curl, Junior Curnutt, Junior Gray and Wayne Dorman.

Thirteen colonies—Laura Louise Brewer, Eleanor Nicholas, Mildred Hotchkin, Virginia Miller, Oliver Curl, Elizabeth DeMoss, Martha J. Roberts, Lucile Watt, Betty Hellmers, Virginia Larmer, Virginia Bennett, R. Dell Chick and Marie Davis.

Miss Leola Miller will read, "The Aspiring Dishwasher." Two dances will be given, one by Miss Helen Dorothy Felix and one by Misses Katherine Chandler and Mary Ferritor.

The lecture yesterday afternoon by John Temple Graves was a good one. True to the statement on the program, he is a "master orator."

The De Zanco-Smith-Oster Trio, although it has been highly praised in some of the towns where it has appeared, failed to make a hit with the majority of the audience here. Many people began leaving before the first half of the program was over and continued to do so throughout the evening. The members of the trio seemed to lack any quality and finish that one would expect from artists. It is said that Madame Bunnell-Smith was suffering from a severe cold and for that reason not able to sing as well as usual. The pianist playing seemed to have more of the qualities of an artist than anyone else in the company. She gave some selections which were very pleasing.

GO TO CHICAGO TO ENTER HOSPITAL FOR TRAINING

Miss Katherine Wallace, daughter of Mr. and Mrs. Ed Wallace, Miss Getha Anderson, daughter of Mr. and Mrs. C. P. Anderson, and Miss Lillis New, daughter of Mr. and Mrs. Richard New, living southwest of Maryville, will leave Monday for Chicago. The three young women will enter the Hahnemann Hospital for a three years' course in nursing.

Likes Yellow Ponderoses.

Ed Kuster has some yellow ponderosa tomato vines in his patch this year and they are producing well. The tomatoes are large ones. He says that they produce as well as the ordinary red varieties and that they have a sweeter, better flavor. He says that they lack the acid that the red tomato has and that they can for preserves especially well. He says that a little lemon should be put with them in the canning process.

To House Party in Albany.

Miss Ora Barmann and Miss Marguerite Cummins motored to Albany this morning to spend the day at the home of Miss Ruth O'Malley. Miss O'Malley is entertaining a number of friends at a house party this week at her home.

Miss Bertha Cross Married

The wedding of Miss Bertha Cross and Charles M. Wallace took place July 16 in St. Louis where the bride has been employed as a stenographer for several years, leaving Hopkins soon after graduating from the high school. She is a very capable young lady and has many friends here who join the Journal in extending congratulations. The groom is a successful teacher and the couple will be at home after September 1 at Graham, Mo., where he is a teacher in the public school.—Hopkins Journal.

Elect New Officers

Mrs. Cecil Grooms was elected president of the Ireland Industrial Club yesterday afternoon at the regular meeting at the home of Mrs. Ray McDowell, northwest of Maryville. Mrs. A. C. Moore was elected vice president and Mrs. Mayme Taylor, secretary-treasurer. The afternoon was spent in needlework, after which refreshments were served by the hostess, assisted by Misses Lola Moore and Leta Babb. Those present were Mrs. Andrew Fink, Mrs. Maurice Brennan, Mrs. Mayme Taylor, Mrs. Ed Babb, Mrs. Mary Wagner, Mrs. Bert Moore, Mrs. S. E. Jenson, Mrs. Orville Willhoyte, Misses Lola Moore and Leta Babb, and Vivian Marie Taylor, Jay Vernon Taylor and Roy Jenson. The club will meet August 23 with Mrs. Mayme Taylor.

Surprise Party

Miss Bernice Holt entertained a number of friends at a surprise party Saturday night at her home northwest of Maryville, in honor of the sixteenth birthday of her brother, Harold Holt. Those present were Eula Marie McDonald, Myrle Lyle, Garland Montgomery, Lyrill Stafford, Genevieve Todd, Cleo Holt, Mary Oakerson, Thomas Eckert, Stanley Davis, Ralph Shrewsbury, Raymond Oakerson, Joe Holt, Dean Dorman and the honor guest.

Sawyers Dinner Guests

Mr. and Mrs. J. K. Sawyers, Sr., entertained with a 1 o'clock dinner Wednesday in honor of a number of relatives who are visiting in Maryville. The guests of honor were the hosts' son and wife, Mr. and Mrs. J. K. Sawyers, Jr., Miss Alice Fulton of Glencoe, Ohio, the Rev. Homer A. Neff of St. Mary's, Ohio, Mrs. Jennie B. Snyder, who has just returned from a year's stay in the East and the Rev. Henry A. Sawyers, his daughter, Mrs. Samuel E. H. Crowley, Jr., and son, William Orr Sawyers, all of St. Joseph. Other guests were Mrs. T. M. C. Neff, R. J. Sawyers, Sr., Miss Elizabeth Sawyers, Mary and Clyde Sawyears, Miss Eleanor Agnes Sawyers, and Harold and Henry Sawyers.

Met at McDougal Home.

The P. N. C. Club was entertained yesterday afternoon at the home of Mrs. Frank McDougal. The hour of fancy work was followed by the serving of refreshments, the hostess being assisted by her sister, Mrs. Lester Booth, who was a guest of the club. Mrs. Frank Henderson was taken in as a new member. The members present at the meeting were Mrs. Banner Brummett, Mrs. T. E. Simmons, Mrs. Robert Garten, Mrs. James Greenlee, Mrs. Clarence O'Banion, Mrs. Ed Kepner and Mrs. Roy Johnston. The next meeting will be held August 23 at the home of Mrs. Johnston.

Wohlford-Tompkins Wedding.

Miss Mary Elizabeth Wohlford, daughter of Mrs. Elsie Wohlford of Barnard, and John Tompkins were united in marriage at 6 o'clock Wednesday evening in Savannah. The Rev. Mr. Loomis, pastor of the Christian church in Barnard, performed the service. The couple returned last night to Barnard where they will make their home. The bridegroom is the son of Mr. and Mrs. Frank Tompkins, living west of Barnard.

Woman Scares Passengers Then Eats Pistol

Detroit, Aug. 10—Patrolman Joseph Higgins was swinging dutifully along Mount Elliott avenue about 10 o'clock at night when suddenly a Grand Belt street car came to a jarring stop at Harper avenue.

Higgins was diverted by seeing the conductor come leaping through a window. His diversion changed to downright interest when the passengers began following the conductor, surging through windows and doors, screaming as they emerged.

The patrolman sensed immediately that something was happening. He approached. A woman stood in the center of the car menacing the fleeing passengers—and one gentleman in particular—with a black gun.

Higgins drew his own weapon and huskily commanded her to "drop that there gun!"

"You may have it if you wish," the young woman giggled.

She tossed it to him. He examined it and then, blushed furiously. He arrested the woman and her male companion.

When taken into court the "gun toter" informed Judge Jeffries she was Grace Lubin, forty. The man identified himself as James Atkinson, forty-seven.

Miss Lubin said he had been courting her for a month and that she grew tired of the wooing. She drew her revolver in the street car to scare him, she testified, when he insisted on marrying her then and there. Judge Jeffries turned the gun over on his desk.

"Will you eat this if I let you go?" he asked Miss Lubin.

"I'll try to," she said.

It was a candy gun, fashioned deftly of nice brown chocolate.

MRS. J. M. NIXSON GOES TO VISIT DAUGHTERS.

Mrs. J. M. Nixson left this morning for a visit with her daughters in Chicago and St. Louis. Mrs. Nixson will join her daughter, Mrs. Joseph Evans, of Hyde Park, Chicago, at Frankfort, Mich., and then go to Lake Geneva to spend part of their vacation at Mrs. Evans' cottage on the lake. Mrs. Nixson will then return to St. Louis, where she wil lvisit with her other daughter, Mrs. W. G. McKenzie. She expects to return to Maryville during the latter part of September.

Trusty Buys Watts Out.

A deal was closed yesterday wherein P. R. Trusty bought H. A. Watts' interest in the B Square service station at Main and First streets. This station was opened about June 27 under the joint managership of Trusty and Watts.

Mother-To-Be, Read This—

Here is a wonderful message to all expectant mothers. From this moment on, cast from your mind all dread and fear, and feel every day as the months roll by that great freedom from much of the suffering which thousands of expectant mothers undergo, unnecessarily. And when the Little One arrives, you can have that moment more free from suffering than you have perhaps imagined. An eminent physician, expert in this science, has shown the way. It was he who first produced the great remedy, "Mother's Friend." Mrs. C. J. Hartman, Scranton, Pa., says:

"With my first two children I had a doctor and a nurse and then they had to use instruments, but with my last two children I used Mother's Friend and had only a nurse; we had no time to get a doctor because I wasn't very sick—only about ten or fifteen minutes."

"Mother's Friend" is applied externally to the abdomen, back and hips. It aids the muscles and tissues to expand easily. It penetrates quickly. It contains no narcotics or harmful drugs. It is safe. There is no substitute. Avoid useless greases sometimes recommended by the unknowing. "Mother's Friend" is sold by druggists everywhere.

NOTE—Write for valuable free illustrated book, "Motherhood and the Baby," containing important authoritative information which every expectant mother should have, and all about "Mother's Friend," to Bradfield Regulator Company, BA-48, Atlanta, Ga.

Small Boy From Hopkins Has Gone And Done It

Dr. Claude P. Fryer, county health officer, passed a small boy sitting on the steps of the hospital this morning as he went to the hospital for his laboratory work. When the doctor had finished and started back to the office the boy was still sitting on the steps.

Curious that the boy should be sitting there so long, the doctor inquired, "What are you going to do, my boy."

"Hum, I've done gone and done it, "replied the boy, "don't you remember me? I'm the boy at Hopkins that you told to have my tonsils and adenoids removed and papa and I came over here and had it done."

DON'T RISK NEGLECT.

Don't neglect a constant backache, sharp, darting pains or urinary disorders. The danger of dropsy or Bright's disease is too serious to ignore. Use Doan's Kidney Pills as have your friends and neighbors. A Maryville case.

J. N. Bryan, retired farmer, 222 11th St., says: "I was having trouble with my kidneys and back. I had an intense soreness through the small of my back which caused great pain when I tried to bend or straighten quickly. My kindeys acted too frequently. I saw Doan's Kidney Pills advertised and I started to use them. I found great relief from the start and after using Doan's a while I was cured of the trouble. It has been some time since I have needed to use Doan's Kidney Pills so I know the benefit they gave me is lasting." (Statement given June 15, 1916).

On March 31, 1920, Mr. Bryan said: "Since I used Doan's Kidney Pills I have had no return of the trouble. I am glad to say Doan's permanently cured me and I wish to confirm my former statement."

Announce Birth of Son

Mr. and Mrs. Ben Britton of Hopkins are the parents of a son, born this morning at the home of Mrs. Britton's father, J. T. Walter, in Burlington Junction. Mrs. Britton was formerly Miss Bertha Walter.

MANY FARMERS ARE NOW FLOWING FOR WHEAT CROP

Reports come into Maryville that the farmers throughout the county are showing considerable activity in the line of plowing for wheat. The weather this week has been especially favorable for this work, as it is cool for the teams and it is possible to plow more than if it were hot. The indications are that there will be a large acreage of wheat in the county next year.

Cars Meet On Bridge

(From Hopkins Journal)

An auto accident in which no one was seriously hurt occurred a mile south of Hopkins Monday morning when Fred Yeomans and Charley Wilder had a head on collission with their cars on the Coleman bridge. Charley was coming north and in the car besides himself was his wife, their two little girls and James Farguhar. The Yeomans car was occupied by Mr. and Mrs. Yeomans and their three children and the occupants of both cars escaped injury except the little son of Mr. Yeomans who was thrown through the windshield of the car and his nose and mouth severely cut on the glass. For some reason the drivers did not estimate distance correctly, coming together on the bridge but had slowed down sufficiently to avert serious injury to the cars or the occupants of same—Mr. Wilder and family coming on to Hopkins and Mr. Yeomans and family proceeding on their journey to St. Joseph.

A Rattle Snake Den

Before the wild grass lands of Nodaway county were plowed up, rattle snakes were quite common but of late years very few of the poisonous reptiles are found in this section. However, while plowing last week, Ralph Anderson, a son of U. A. Anderson, the well known farmer and stockman residing southwest of Hopkins, unearthed a whole den of them, killing five or six and capturing one alive that the boys will keep for a while to have, as they say, "fun with."—Hopkins Journal.

ASKS WELCH WOMEN NOT TO CUT EARS OF BABIES

London, Aug. 10.—An appeal to mothers in Welsh districts of Carmarthenshire to cease from the practice of cutting their babies' ears at the waning of the moon has been made by Dr. David Arthur Hughes, Health Officer.

An old Welsh custom has been to slit the ears of a baby at the waning of the moon in order that the child may grow up to be bright and clever.

The LENNOX

Torrid Zone Furnace

is made of heavy plate, open hearth, mild steel that stands up steadfastly under the most rigorous conditions of long, active service. It successfully withstands the most intense fire—and will not crack, warp or buckle under heat that would quickly melt a cast iron furnace.

It's steel body is practically one-piece being calked and riveted cold under extreme pressure, thereby providing a positively smoke- and gas-tight construction that absolutely prevents the escape of undesirable elements into the living rooms.

It has extra large double feed doors, is easily fired, and burns coal, coke or wood with excellent results. The firepot can be removed through the feed doors without disturbing the furnace. The ample radiating surfaces provide for moderately heating a large volume of air without an intense fire or the consumption of large quantities of fuel.

Can be had in either Pipe or Pipeless Style

REFUSED LICENSE WHEN HE LEAVES GIRL HOME.

Akron, Ohio, Aug. 10.—While some persons have looked upon marriage variously as a failure, a dream, or a lottery—it has fallen to a Summit County farmhand to classify it as "a job."

"Where do I go to get a marriage license?" the young fellow from the rural district inquired, entering the courthouse here.

"Where's your girl?" he was asked.

"Heck," he exclaimed. "Do I have to have her along, too?"

"Certainly you do the law requires it," he was told.

"Gol dern!" said the young fellow. "That settles it. The job can't be done to-day!"

NO FUNERAL RITES FOR BULL, KILLED BY FARMER.

M'Arthur, Ohio, Aug. 10.—Two Brown township farmers got into a scrap because a bull, owned by one of them, was continually breaking into the other farmer's field. Finally the trespasser was shot to death. At last reports the animal's remains lay unburied because the two men could not agree as to who should officiate at the "planting."

HUGE HAILSTONES.

Bueyrus, Ohio, Aug. 10.—During a heavy rain storm hailstones fell south and east of Bueyrus. They were as large as hens' eggs. East of Bueyrus they came down with sufficient force to kill chickens. Some were brought to Bueyrus an hour after the storm in tin pans and they were still from two to three inches in diameter.

GEORGE S. COVEY DIES AT GUILFORD

Civil War Veteran's Funeral Will be Held at 2 o'Clock Saturday Afternoon.

George S. Covey, a Civil War veteran and a resident of the Guilford vicinity since 1882, died at 4 o'clock this morning at his home in Guilford following an extended illness. Funeral services will be held at 2 o'clock Saturday afternoon at the South Methodist Church in Guilford, the Rev. V. D. Swearingen, pastor, officiating. Burial will be in the Weatherman cemetery.

Mr. Covey, who was 85 years old, was a native of Virginia. After living in Lincoln county, Kentucky, one year he came to Missouri about 1868. He saw some hard and exciting service during the war between the states, having served four years in the Fourth Regiment Kentucky Volunteer Infantry during which time he was a prisoner in Andersonville. After his trying career in the army he returned home and took up farming again. In 1882 he came to Washington township, Nodaway county, locating in the southeast corner of the county.

He had made his home in Guilford since his retirement from farming activities many years ago. He is survived by three sons and five daughters. They are Noble C. Covey of Pueblo, Colo., Charles Covey of Des Moines, Ia., Arthur Covey, Mrs. Nellie Hagan of Guilford, Mrs. A. B. Davis of St. Joseph, Mrs. John Colestock of St. Joseph. Mrs. Charles Griggs of Savannah, and Mrs. Carrie Wilson of Guilford, the latter daughter residing with her father. His wife and a son, John Covey, have been dead for a number of years.

HERSCHEL HACKETT TO ST. FRANCIS HOSPITAL

Herschel Hackett, the eleven-year-old son of Mr. and Mrs. Lester Hackett, living two miles south of Burlington Junction, was brought to St. Francis Hospital this morning. The boy sustained painful bruises a week ago when he was kicked in the face by a Shetland pony. His condition became worse last night and he entered the hospital this morning for treatment.

BURLINGTON JUNCTION WINS FROM ELMO.

The Burlington Junction Boosters invaded the baseball diamond of the Elmo ball team yesterday during the first day of the Elmo Picnic and won by a score of 9 to 7. Elmo has been proud of the work that her ball team has been doing this year and has scheduled three games for the three days of the picnic. The schedule calls for a game with Coin, Ia., team today and with Clearmont tomorrow.

CHARGED WITH DRIVING CAR WHILE INTOXICATED

Hemett McCleave, charged with driving a motor car when intoxicated, was arraigned at 1 o'clock this afternoon in the court of Justice W. L. Johnson. The preliminaries were waved and the case is set to come in the September term of the circuit court.

Walker Long and son, Arthur of Smithton, Mo., accompanied by Mr. Long's mother, Mrs. Martha Long, came Tuesday evening in their car to visit Mr. and Mrs. Ira Neal and family. They drove to Hopkins yesterday for a visit at the home of Mr. and Mrs. Sam Ingels.

Mrs. W. A. Blagg left this morning for a visit in Kansas City.

RAVENWOOD BOOSTERS ON STREETS TODAY

Carried a Band—Left for Arkoe, After They Had Had Their Lunch

Maryville was aroused about noon today by the music of the band which accompanied the Ravenwood boosters as they stopped here on their route through the county boosting the Ravenwood picnic. About ten or twelve carloads of people accompanied the boosters. They arrived here about noon from Pickering and left for Arkoe, eating lunch here.

The boosters carried with them a band of about eight or ten pieces and the cars were decorated with banners advertising the picnic.

SUES WABASH FOR INJURY DONE TO THREE DAIRY COWS.

Catherine McGarry filed suit against the Wabash railroad this afternoon for damages for injury done to three dairy cows which got on the track. She claims that she was damaged to the amount of $225 and asks the court to double that amount.

The information states that the cattle got on the track and were injured to such an extent that they had to be killed and that they got on the track at places where the fences and cattle guards were not constructed according to the requirements of the law.

OHIO WOMAN RAISING LION, FOUND STARVING

Defiance, Ohio, Aug. 10.—About a month ago a Baltimore & Ohio brakeman carried to Mrs. C. G. Shirley, who operates a small restaurant patronized largely by railroad men, a basket containing what he thought was a pup. He found it, in an empty freight car, nearly dead from starvation.

Mrs. Shirley fed her new pet, naming it "The Bum."

Now the animal is developing a shaggy mane on a massive head, walks impatiently in a circle, strikes with its paw and growls. It has never barked. Its hide is developing peculiar marking of splotches. It perfers a raw meat diet and is growing rapidly.

It is a lion!

Mrs. Shirley believes the cub was stolen from a menagerie by some helper who was forced to abandon it while making his get-away on a freight.

Returns From Sunday School Camp

Miss Margaret Louise Hosmer returned Tuesday night from the International Sunday School camp at Geneva Glenn, Mt. Morrison, Colo., which she attended as a delegate.

Mrs. W. A. Miller and daughters, Harriett and Vivian, left at noon today for Wapello, Ia., where they will visit relatives.

Hopkins Farmer Union Second ....

A record has been kept of the different associations shipping stock to the Farmers Union Live Stock Commission Co., at South St. Joseph during the first six months of the year 1922 and Hopkins lands second with 52 loads while Ridgeway leads with 62 loads. Shipments from other towns in the county are as follows: Maryville 30; Burlington Junction 25; Conception Junction 29; Elmo 19; Parnell 33; Pickering 29 and Ravenwood 42. Hopkins is also third in number of cars shipped with all states that ship to St. Joseph contesting, showing that Frank New Jr., the local manager, is a go getter when it comes to hustling for business.—Hopkins Journal.

GERMAN BIRTH RATES HIGHER THAN FRENCH

Is Claimed That The Ratio Is Three To One—Population of France Grows Less

Paris, Aug. 10—Three Germans are born for every Frenchman, claims Gustave Herve, writing in L'Homme Libre, and basing the statement on French population figures just published for the first three months of 1922.

According to Herve the population of France is decreasing 200,000 a year.

Out of twenty departments reported on for January, February and March, 1922, eighteen show a serious preponderance of deaths over births.

Herve points out at present basis the number of men coming into military service each year now being estimated at 250,000, the classes which will come to serve in 1931 will not exceed in number 225,000, and in 1934 140,000.

Meanwhile Germany, with a birth rate exceeding a death rate by 700,000, according to Herve, already has made up the difference in her population occasioned by the loss of Alsace-Lorraine (population 1,800,000) and is on the way than ever greater than pre-war numerical advantage.

HAWAII INAUGURATES RADIO INSTRUCTION

Honolulu, Aug. 10—Plans for the inauguration of rural education in Hawaii by radio telephone have been announced by Vaughan MacCaughey, superintendent of public instruction at Honolulu.

Superintendent MacCaughey's plans call for the installation of standard radiophone receiving sets in all rural schools, which at first will be used primarily to enable both school children and adults of the community to "listen in" on the regular broadcasting of musical and other entertainment numbers from Honolulu, working along the lines of making rural schoolhouses serve as community centers.

It is planned to install as soonas possible a powerful transmitting plant at headquarters of the public instruction department in Honolulu from which it will be possible to broadcast lectures on various educational subjects at certain hours of the day. This arrangement will also make possible the broadcasting of lectures to teachers by the superintendent or by educators who may be in Honolulu, perhaps passing through the city on trans-Pacific steamers.

Plans also are being worked out for the broadcasting of extension courses, particulary in agriculture, extention department of the University of Hawaii at Honolulu, a feature which is expected to prove of great value to farmers in the outlying districts.

It's Nerve Force from Nuxated Iron

that helps make STRONG, MAGNETIC, FORCEFUL MEN, who make their over-mastering presence felt the moment they enter a room.

NUXATED IRON

contains the principal chemical constituent of active living nerve force in a form which most nearly resembles that in the brain and nerve cells of man. It also contains a newer form of iron like the iron in your blood and like the iron in spinach, lentils and apples which enriches the blood, and plenty of rich red blood means more nerve force, so that Nuxated Iron not only feeds what might be termed artificial nerve force to the nerve cells but it stimulates the blood to manufacture a greatly increased supply of new nerve force. If you are weak, nervous or run-down, get a bottle of Nuxated Iron today, and if within two weeks' time you do not feel that it has increased your nerve force and made you feel better and stronger in every way, your money will be refunded. ASSASSINS OF FIELD MARSHAL WILSON HANGED

Went to End Gamely—Say What They Did Was for Ireland and That Only Body Can be Killed.

London, Aug. 10.—Reginald Dunn and Joseph O'Sullivan, assassins of Field Marshal Henry Hughes Wilson, chief of the British imperial general staff, were hanged at the Wandsworth jail today. According to the wardens the men died gamely.

Reginald Dunn and Joseph O'Sullivan were sentenced to death on July 18, following a dramatic trial in the Old Bailey Court. Setting themselves up as martyrs, the slayers of Field Marshal Sir Henry Wilson accepted the verdict with but little show of emotion.

Following the passing of sentence each man was given an opportunity to make a statement.

"All I have done, my lord, I have done for Ireland, and for Ireland I am proud to die!" O'Sullivan said dramatically. "You may kill my body, my lord, but my spirit you will never kill!"

A true bill charging the two men with murder was returned July 17. The trial was a speedy one, the death sentence being passed upon the two murderers within twenty-four hours after their indictment.

Field Marshal Sir Henry Wilson, one of the most outstanding military leaders of the World War, was shot to death near his home on June 21. The funeral of the distinguished military leader, attended by royalty, was one of the longest in the history of London—attesting the popularity of the war hero.

Like the man he murdered, Joseph O'Sullivan was a veteran of the war. Military records show that he lost a leg in fighting around Ypres during the bitterest period of the war. Following his discharge from the army O'Sullivan was employed in the Ministry of Labor.

Reginald Dunn is a reckless, care-free giant of a man. Of great height and breadth, his limbs are the limbs of a prize fighter. He is possessed of great physical strength, according to policemen who battled with him when he was taken into custody. Dunn is of sullen face, with a square jaw and a sneering expression.

The execution of Dunn and O'Sullivan marks the passing of two assassins who worked from the inside for the destruction of the military power that sought to repel the attacks of Irish rebels against the Free State government. They had made attempts also to assassinate two other British officers on the same day Field Marshal Wilson was killed. Wounded, the other two recovered. Their testimony, however, was not necessary at the trial at which Dunn and O'Sullivan were convicted and senteneed.

ROAD FUNDS DUE COUNTIES

McCullough-Morgan Law Appropriation Not Yet Exhausted

Jefferson City, Aug. 10—There is $880,332 yet due various counties in the state from the McCullough-Morgan road law for improvements of the highways. The engineers of the highway commission Wednesday made a full estimate of all due under the old law, which the counties are now entitled to draw. Some of the counties have drawn all that is coming to them and others have very small amounts due. Nodaway County has $13,428 coming.

The receipts into the road fund total $8,753,178. From this must be deducted the administration of the law from January 1, 1921, leaving $7,357,978.90.

Eleven new projects, providing for thirty-three miles of highway are now ready to be advertised by the engineers.

Mrs. T. J. Emmert of Tarkio is attending the Chautauqua and visiting at the home of her daughter, Mrs. H. L. Raines and family.
